

# Track position at UTOF

# Track slope at UTOF

# Track position at LTOF

# Track slope at LTOF

chi square of all tracks

chi square after Prob

Number of clusters

Maximum size of clusters

# position of layer 1

# position of layer 2

# position of layer 3

# position of layer 4

# position of layer 5

# position of layer 6

# residual of layer 1

residual of layer 2

residual of layer 3

residual of layer 4

residual of layer 5

residual of layer 6

# Leading TDC value of layer 1

# Leading TDC value of layer 2

# Leading TDC value of layer 3

# Leading TDC value of layer 4

# Leading TDC value of layer 5

# Leading TDC value of layer 6

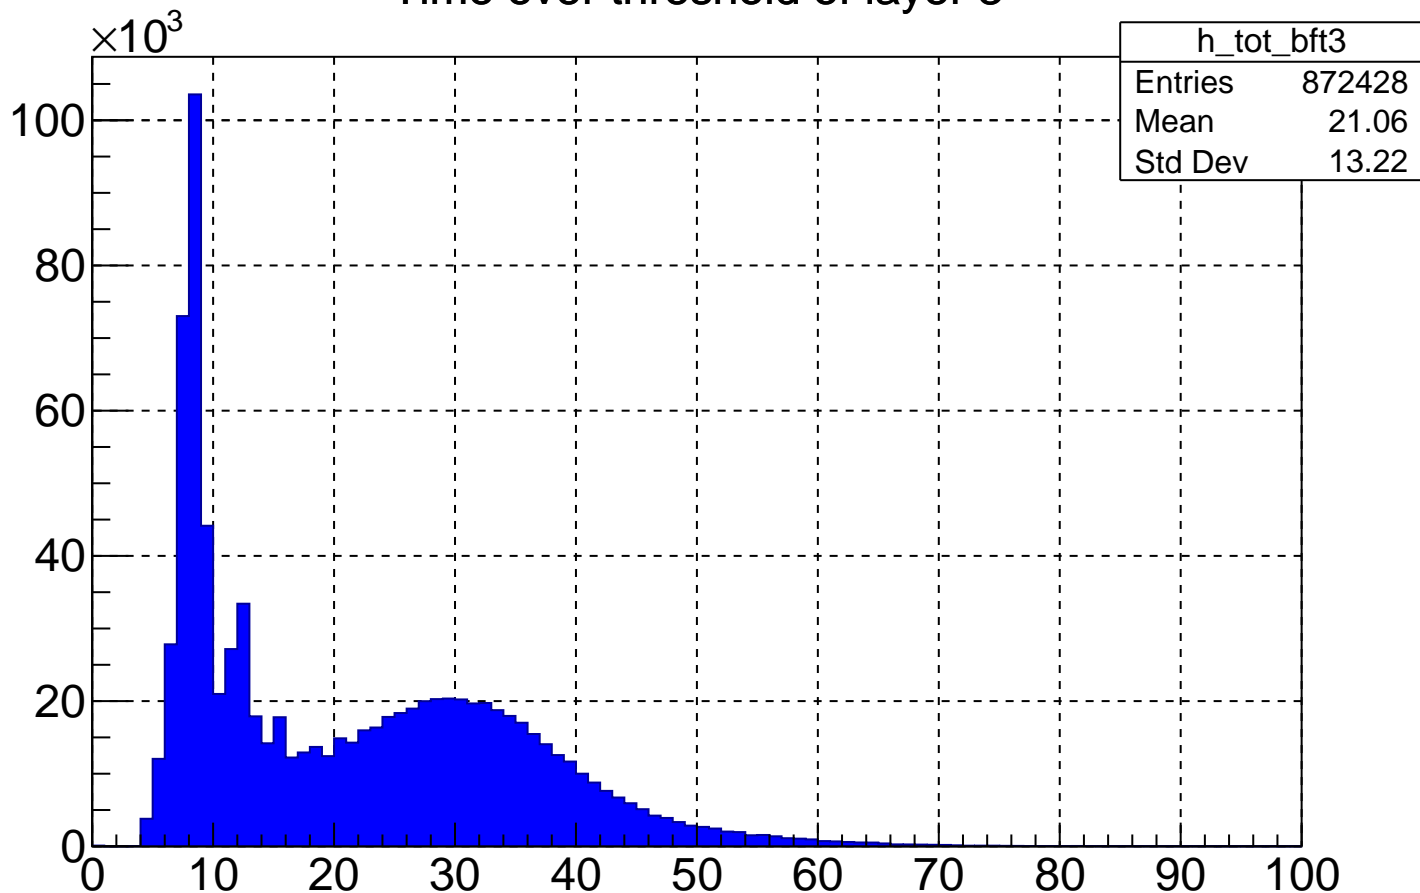

Time over threshold of layer 1

Time over threshold of layer 2

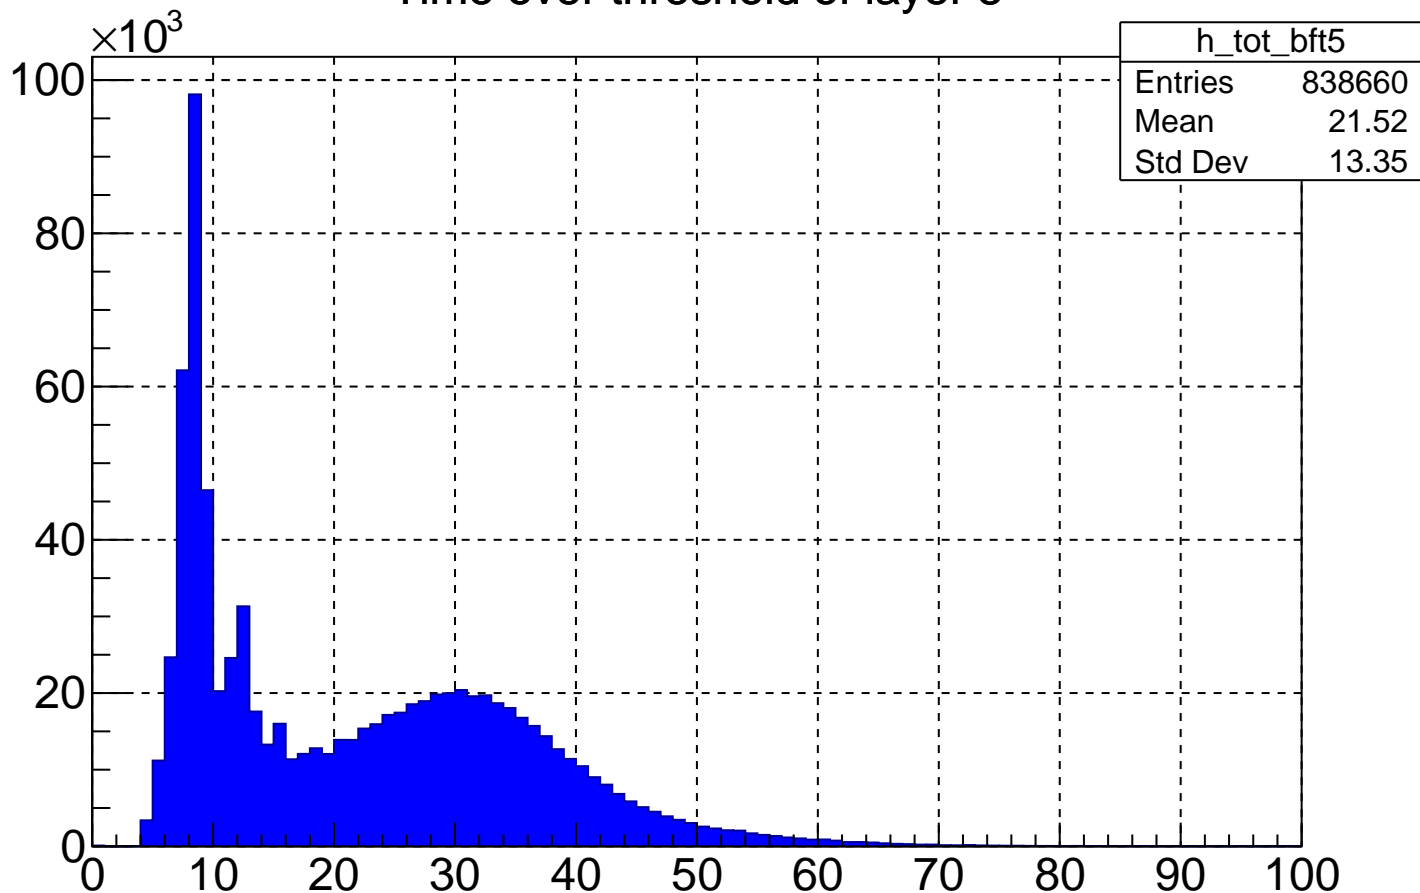

Time over threshold of layer 3

Time over threshold of layer 4

Time over threshold of layer 5

Time over threshold of layer 6
