

Track position at UTOF

Track slope at UTOF

Track position at LTOF

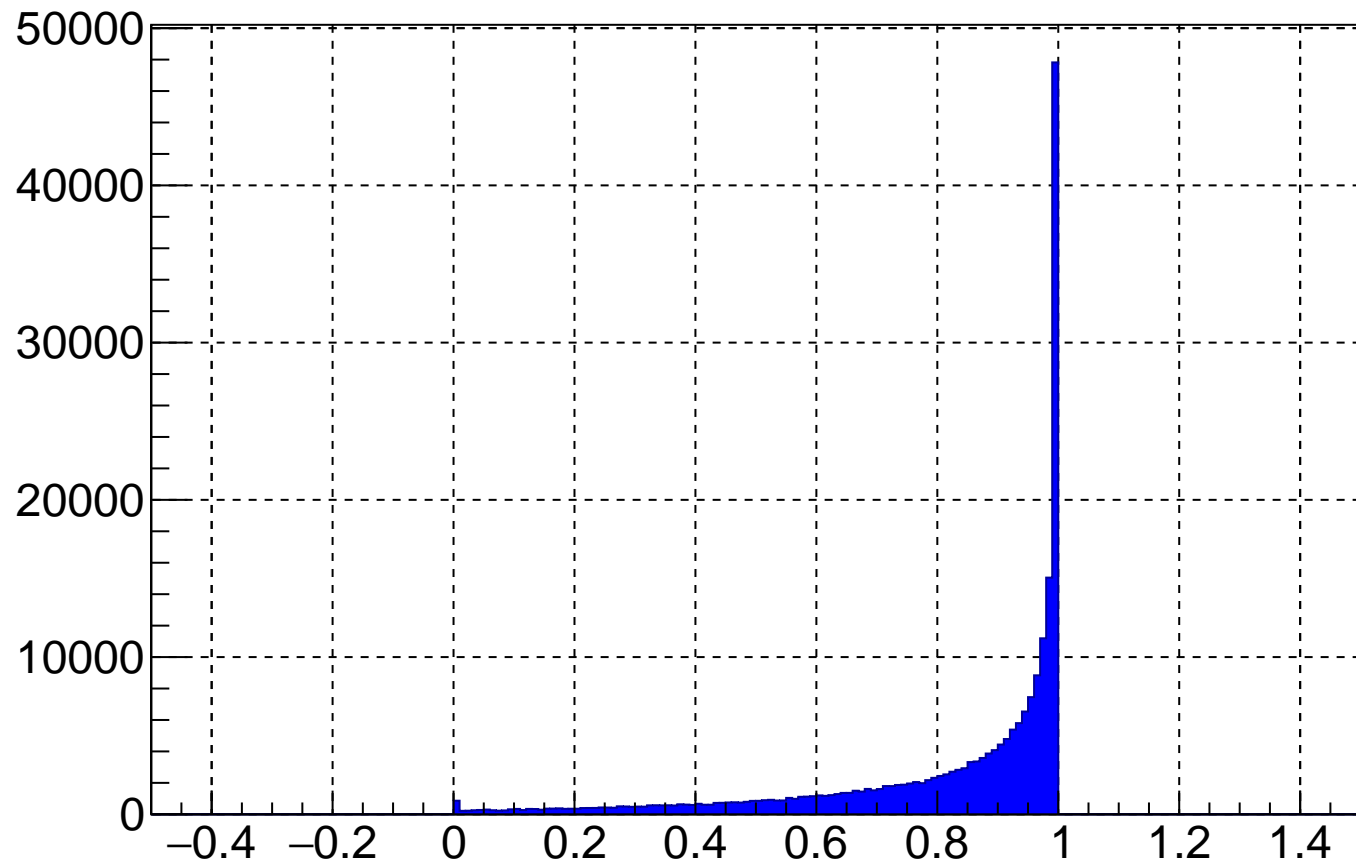

Track slope at LTOF

chi square of all tracks

chi square after Prob

Number of clusters

Maximum size of clusters

position of layer 1

position of layer 2

position of layer 3

position of layer 4

position of layer 5

position of layer 6

residual of layer 1

residual of layer 2

residual of layer 3

residual of layer 4

residual of layer 5

residual of layer 6

Leading TDC value of layer 1

Leading TDC value of layer 2

Leading TDC value of layer 3

Leading TDC value of layer 4

Leading TDC value of layer 5

Leading TDC value of layer 6

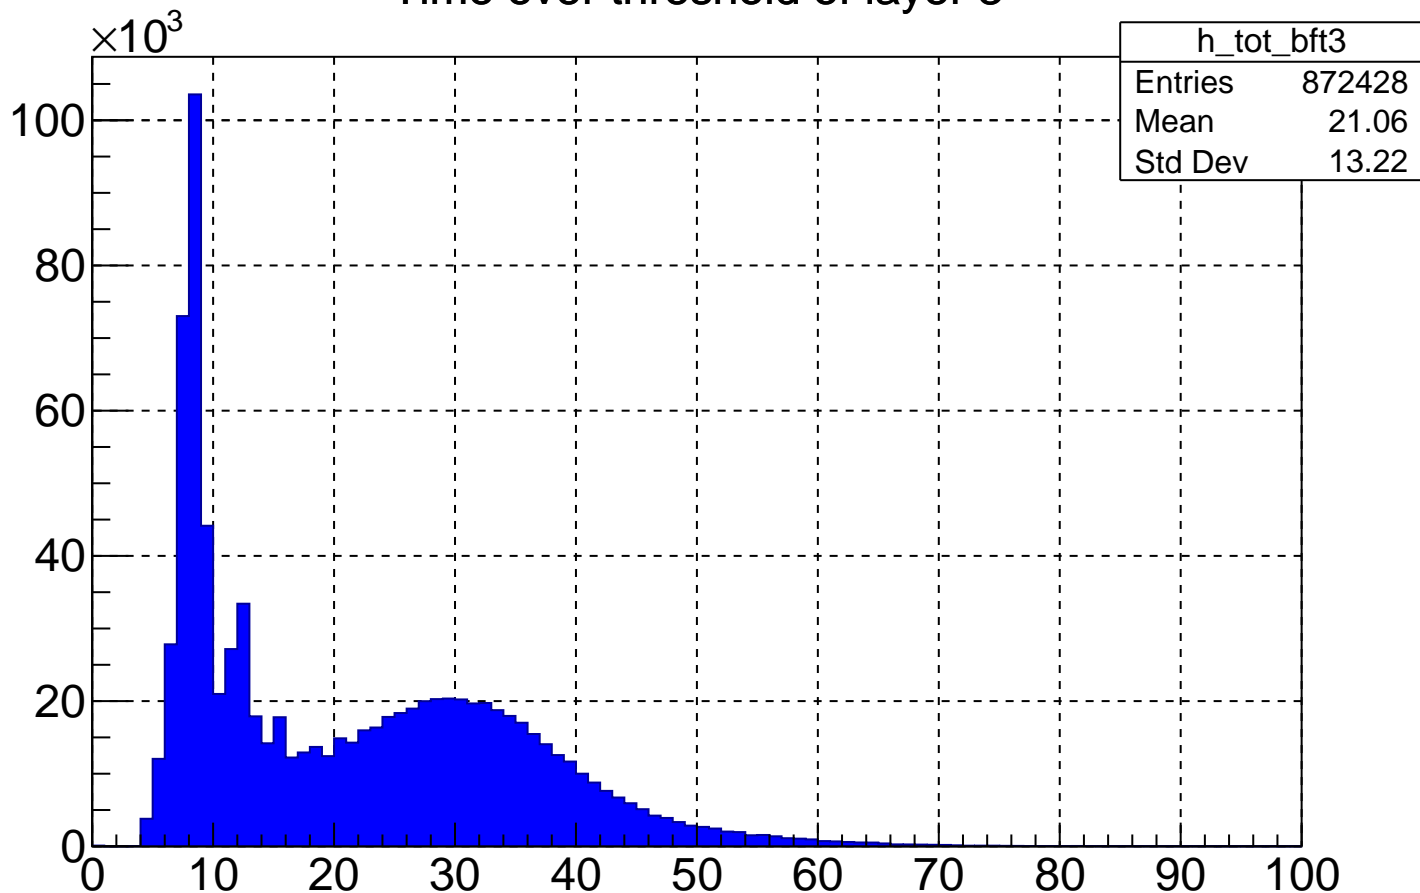

Time over threshold of layer 1

Time over threshold of layer 2

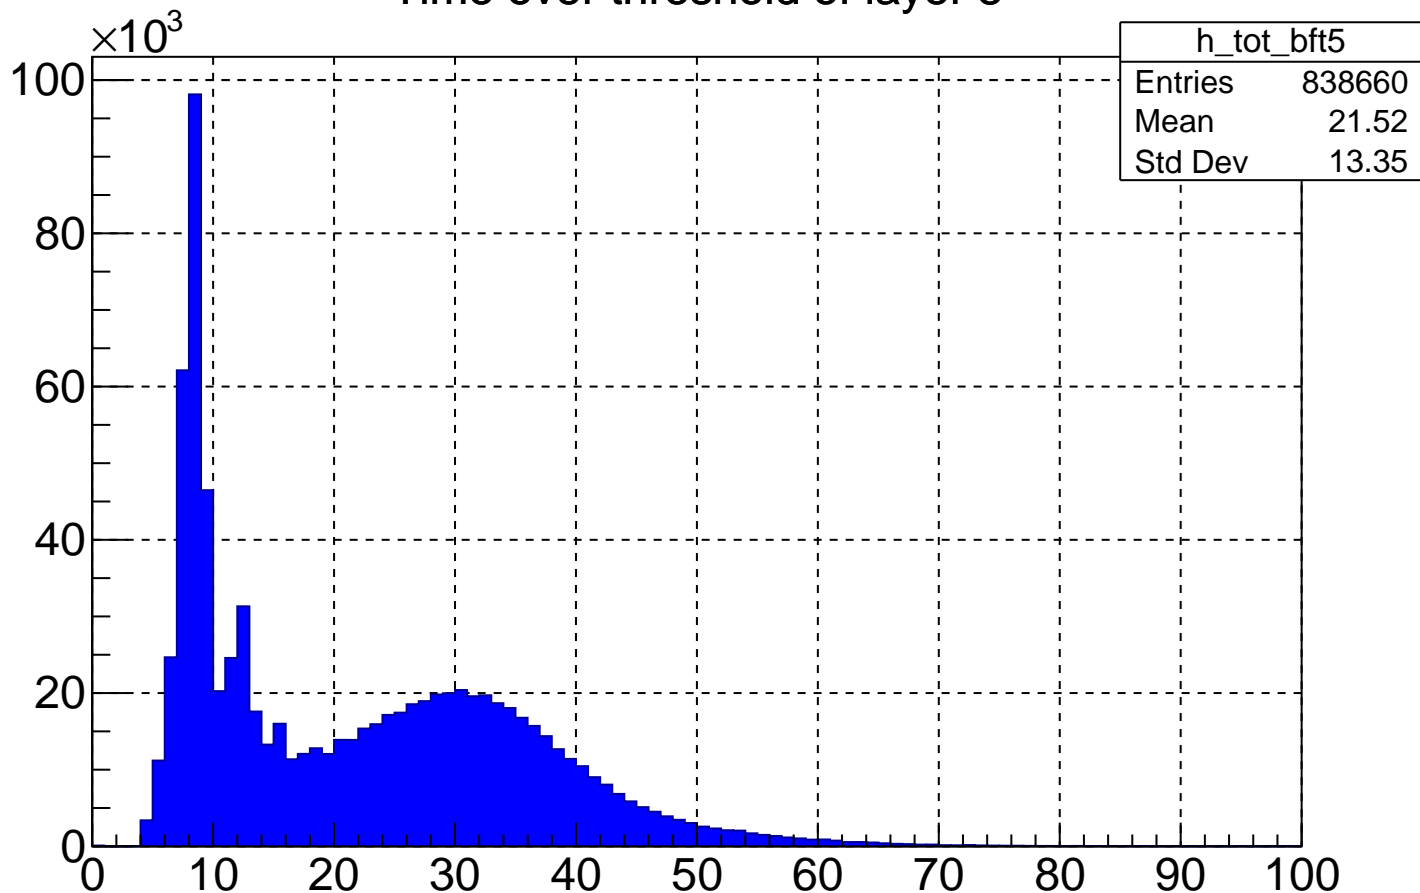

Time over threshold of layer 3

Time over threshold of layer 4

Time over threshold of layer 5

Time over threshold of layer 6
